BIOGRAPHY

I'm a Google Ads Manager specializing in e-commerce advertising, with experience in lead generation. I manage Search Ads, Performance Max, keyword research, campaign setup, optimization, and lead generation campaigns. Trained in Google Ads and experienced with real agency campaign structures, I work with e-commerce businesses, agencies, and Google Ads professionals to optimize campaigns, deliver measurable results, and continually strengthen my practical expertise.

EDUCATION

Air University <i>Bachelor of Software Engineering</i>	Islamabad 2025 – 2029
Islamabad Model College for Boys <i>Intermediate, ICS</i>	I-10/1, Islamabad 2023 – 2025

PROJECTS

E-Commerce Campaign

- Assisted with Google Ads campaign management and optimization for a real e-commerce store, achieving 21.67× ROAS during the reported period.

Google Search Ads

- Created a self-initiated Google Search Ads project demonstrating campaign structure, keyword research, ad groups, and responsive search ads.

E-Commerce Google Ads

- Created a self-initiated E-Commerce Google Ads strategy covering campaign structure, product segmentation, search intent, keywords, ads, landing pages, and remarketing.

EXPERIENCE

Google Ads Trainee <i>Logical Gecko</i>	Aug 2026 – Sept 2026
- Gained hands-on experience working with Google Ads campaigns in an agency environment - Worked with e-commerce campaigns across Search, Brand Search, Display, and Performance Max - Practiced understanding campaign structure, conversions, CPC, cost, and other key performance metrics
